### **We're Here to Help!**

When planning your next party, graduation, wedding, equestrian event or auction, you can depend on Sycamore Country Store. We're able to keep costs down because we age and cut all our own meat (including our tasty seasoned butterfly port chops). We prepare all of our own fresh salads and homemade soups and we make our own sausages and desserts.

- If you need tables and tents, we can furnish them at an additional charge.
- We have a mobile concession stand available for auctions, tournaments, etc.
- We can also help you plan an elegant dinner complete with crystal ware, linens and champagne fountain. We'll even cut and serve the cake if you like.
- No party is too large or too small. We can take care of any size group from 20-1,500.. no problem! We'll serve our famous seasoned pork chops, BBQ chicken, BBQ ribs, boneless butterfly pork chops or just plain bratwurst.
- We encourage you to visit the Sycamore Country Store to sample the various items on our menu before your important event. We are an actual butcher shop with a complete line of meats, cheese, salads, etc. as well as serving hot carry out lunches such as beef n' pork BBQ, seasoned pork chops, cold deli sandwiches and homemade soups such as our unique taco soup and baked potato soup. You can then choose a menu tailored to your tastes and your budget.
- We set-up, serve and clean up.. or if you prefer, you can pick up and serve yourself. We even provide disposable take home containers and silverware.
- Stop in our "One Stop Shop" and enjoy a taste of the country at Sycamore Country Store.
