*When planning your next party, graduation, wedding, open house, anniversary, company picnic or large corporate event or auction, you can depend on Sycamore Country Store. We're able to keep costs down because we age and cut all our own meat (including our tasty seasoned butterfly pork chops). We prepare all our own fresh salads, homemade soups, and we make our own sausages and desserts.*

*If you need table and tents, we can furnish them at an additional charge.*

*We have a mobile concession stand available for auctions, tournaments, etc.*

*We can also help you plan an elegant dinner complete with crystal ware, linens, and champagne fountain. We'll even cut and serve the cake.*

*No party is too large to too small. We can take care of any size group from 50-1,500... no problem! We'll serve our famous seasoned pork chops, BBQ chicken, BBQ ribs, boneless butterfly pork chops, or just plain bratwurst.*

*We encourage you (by appointment) to visit the Sycamore Country Store to sample the various items on our menu before your important event. We are a traditional butcher shop with a complete line of fresh meats, lunch meats, cheese, salads, etc. as well as serving hot carry out lunches such as: beef n' pork BBQ, seasoned pork chops, butterfly pork chop sandwiches, cold deli sandwiches, and homemade soups such as our unique taco soup and baked potato soup. You can then choose a menu tailored to your tastes and your budget.*
